This snow shovel treatment is not new to businessmen such as Charles Ottewill, pictured above, but last Friday's storm was pushing the season, to say the least. A rush was made early in the morning to get photo evidence of the first blow of the winter before the sun came out to melt it all,

but there was no need to hurry. The storm increased through the day and did not abate 'till the night hours. Although paved roads remained fairly clear, some country roads drifted and the weather has not been warm enough since to clear the snow away.

Phil Lucas' Unorthodox Takeoff Recalled

A commemorative issue of the Peace River Record-Gazette, marking the official opening of the new Peace River municipal airport in August, is of local interest in its mention of Phil Lucas as one of the famous bush pilots flying out of Peace River in the 1930's.

Rain or shine, Phil's aircraft "Katie" always made its scheduled trips and a small lake about 75 miles north-east of Peace River was named Beechcraft Lake after an incident in which Phil was the leading figure.

During the winter, Phil's single-engine aircraft broke a crankshaft and he made a forced landing on the little lake. Their radio was out of action but they managed to get it working the second day and report their position but had to wait two more days to be rescued, as the only aircraft small enough to land on the pond had to be flown in from Edmonton.

Anyway, the stranded aircraft required a new engine before it could be flown out and this had to be taken in overland by a teamster and two mechanics, who had to cut a trail through timber the last mile and a half to the lake.

The pond was only 1800 feet in length — not enough for a normal takeoff — so the plane was tied to a tree by a rope, Phil brought the engine up to maximum revs, a young fellow standing ready cut the rope with an axe and a successful takeoff was made.

First Survival Training Course To Start Nov. 6

Active recruiting for the survival rescue training courses to be held in Vulcan this winter will start on Monday, Oct. 30, at the Vulcan Armouries. Army personnel will be present to give information and enlist volunteers, from 9 to 12, 1 to 5 and 8 to 10 daily.

Three courses, each of 30 men, will be held at Vulcan and the first course is scheduled to start Nov. 6. Training times will likely be 9 a.m. to 12 noon and 1:00 p.m. to 5:00 p.m., Mondays through Fridays, with each separate course lasting six weeks.

The course is open to male volunteers between the ages of 18 to 50 inclusive. Army uniforms will be provided for training purposes and volunteers will be paid at the rate of approximately \$40 a week.

Timing of the first two courses in this special training instituted by the federal government is particularly suitable to farmers and as many as possible are urged to take advantage of this rescue training during the winter months. The training will consist of basic military skills, rescue operations, traffic and crowd control, etc., and will be of great value in the event of a national emergency.

After completing the six-week course, volunteers will be free of any obligation but may, if they desire, remain in the Militia for training one evening a week.

Congratulations go to Mr. and Mrs. Dale Hood on the birth of a daughter on Oct. 18, in the Vulcan Hospital.

Congratulations and best wishes go to Richard Vachon and Fern Williams on their recent marriage.

Mr. and Mrs. Don Beagle were recent visitors at the home of Rev. and Mrs. Blackwell of Irricana.

LADIES MISSION CIRCLE

The Ladies Mission Circle met at the church on Thursday, Oct. 19, when Miss Christie Goode of Calgary was guest speaker.

Miss Goode demonstrated how they use old Christmas cards by covering the English words with Bible verses in 11 different languages. These cards are made into attractive pictures and book marks and given as awards or remembrances to the native Christians in various lands. Some cards have safety pins or a pen nib enclosed (the latter used by Africans in their schools). To date 556,429 of these cards have been sent to missionaries in different countries.

Mrs. Betsy Brown and Mrs. Irene Schmidt sang a duet, accompanied by Mrs. Burris. A lovely lunch was served by the ladies. Mrs. Tom Seeley from Calgary and Mrs. Falcner from Gleichen were visitors.

VAN DEWARK — ANDERSON

A wedding of interest took place in Sylvan Lake, Sept. 2, when May Ruth Anderson became the bride of Brian Ellis Van Dewark. The double-ring ceremony performed by Rev. Sarge united in marriage the eldest daughter of Mr. and Mrs. Arvid Anderson of Eckville and the only son of Mrs. Elizabeth Van Dewark and the late Mr. Ace Van Dewark.

Given in marriage by her father, the bride chose a street-length gown of silk organza over taffeta and net with a fitted bodice and full gathered skirt. Her fingertip veil of silk illusion misted from a crown of rhinestones and she carried a cascade bouquet of yellow roses.

Attending her sister as maid of honor, Miss Beverley Anderson chose a street-length gown of mauve nylon chiffon over taffeta. She carried a bouquet of yellow and white carnations.

Orville Van Dewark, cousin of the groom, was best man, and Elgin Ewing ushered the guests to pews marked with lily-of-the-valley. Kenneth Ewing, cousin of the bride, played the Bridal March and Mrs. Sarge of Sylvan Lake played the wedding music. Prior to the ceremony, Mrs. Elgin Ewing sang, "Be Thou Their Guide" and Rev. Elwood McLean sang, "The Wedding Prayer," during the signing of the register.

Following the ceremony, 55 immediate relatives of the happy couple were entertained at a reception. Four generations were represented: The groom's maternal great-grandmother, Mrs. Maggie Bears; his maternal grandmother, Mrs. Pearl Ellis, and his mother, Mrs. Elizabeth Van Dewark.

The bride's table was centered with a three-tiered wedding cake encircled by white nylon tulle, entwined with yellow roses. Yellow candles and bouquets of yellow dahlias also flanked the cake. During the reception, a number of

musical selections were presented.

Rev. Sarge was master of ceremonies and Miss Doreen Fenwick, cousin of the bride, was in charge of the guest book.

For her daughter's wedding, Mrs. Anderson chose a pale blue embroidered sheath with pink accessories, her corsage was of pink sweetheart roses. The groom's

How to cut your GAS heating costs!

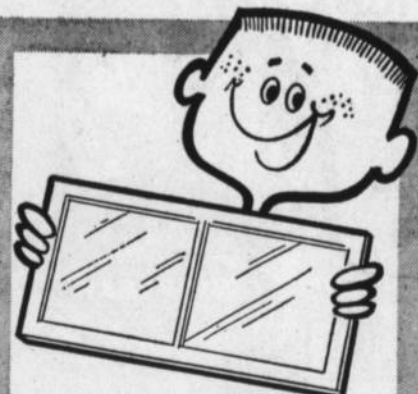

CHECK YOUR INSULATION

A poorly insulated house is a heat waster! Loose-fill insulation in the attic may be shifted during repair work or moving stored items. Be sure there are no bare spots in your attic—for most heat loss is through the ceiling. In some homes additional insulation will greatly reduce the heat loss. Why not check YOUR home to be sure?

REPLACE DIRTY FURNACE FILTERS

Dust-laden furnace filters restrict the flow of air, and can cause overheating of your furnace, serious loss of heat to upstairs rooms and wasted fuel costs. All types of filters should be cleaned regularly, and replaced when necessary. (While you're at it, see that your furnace motor and fan bearings are lubricated as instructions indicate.)

TIME FOR STORM WINDOWS

Your home, like you, needs to breathe. Don't turn your house into a "sealed box," but avoid gaps in windows and doors which cause drafts and waste heat. A little weather-stripping usually does the trick! You paid for the heat in your home, keep it there, where it belongs.

EVERYONE WELCOME

Letters to the Editor

Box 41, Arrowwood
To the Editor of The Advocate,
Dear Sir,

Could I please have the opportunity of writing to your paper again? Last week I invited the ladies from all the surrounding area to an FWUA Rally on Oct. 31. However I omitted mentioning it was to be at Milo United Church basement. This is an all day meeting.

The time is approaching for the annual FUA membership drive. This whole Vulcan County is a farming area. We not only need a large membership in the FUA and FWUA but an active one. Let each and every one of us strive to make our organization one that can serve us.

Yours sincerely,
Margaret E. House.

The Goodwill Service Club held their Annual Turkey Supper in the Community Hall on Saturday, Oct. 1. What with all the snow and cold, some had been a little worried about the event but it proved

to be a huge success with the largest attendance ever. Everything was sold out. Two food hampers were raffled later that evening, with the winners being Eddie Chapman and Mrs. William Grant of Armada.

Sincere congratulations are extended to the Misses Shirley and Signe Sokvitne who graduated from the Galt School of Nursing at the Lethbridge Municipal Hospital last week. The hall was nicely decorated for the occasion with streamers and bells and cut flowers decorated the tables. A large number of friends were on hand for the occasion and a pleasant afternoon was spent playing bingo and also a new bingo contest was played.

The lovely array of gaily wrapped gifts was presented to the guest of honor by Mrs. Marion Root, president of the Lomond Community Club, along with the best wishes of all for a long and happy married life to which Marlene very fittingly replied. She was assisted in unwrapping the gifts by her mother, Mrs. Harold Koch, also Mrs. Mito Koch, Miss Joyce Stannard and her sister Janice Koch.

Following the unwrapping of the gifts a delightful lunch was served by the social committee of the two sponsoring clubs.

*Introducing the style of the year
has become a habit with Pontiac!*

Time after time, Pontiac has introduced the style that was the year's most looked at and longed for. And along comes the '62 with the kind of freshness and fineness that only Pontiac comes up with. New twin-scoop grille. A crisp, low silhouette. Cleanly

curving taillights. You don't have to look twice to tell a '62 Pontiac! And you only have to drive it once to know that nothing else will do for you. Why not take the wheel and go places with Pontiac soon!

A GENERAL MOTORS VALUE

HUBKA — DUCHAN

Red, white, gold and mauve mums graced the altar of St. Patrick's Roman Catholic Church, Lethbridge, for the nuptial mass, at which Elizabeth Wingate Duchan, youngest daughter of Mr. and Mrs. Hugh Duchan of Lethbridge, was married to Harold Dean Hubka, son of Mr. and Mrs. Rudolf Hubka of Carmangay. Rev. Father Dougherty officiated at the double-ring ceremony.

The bride was given in marriage by her uncle and godfather from Montreal, George O'Neill. She chose a bouffant skirted gown, chantilly lace over net and taffeta, with a scalloped hemline. Her gown featured a chantilly lace fitted bodice with three-quarter length sleeves. Her elbow length veil of illusion net was flocked with pearls and sequins and misted from a coronet, adorned with seed pearls and sequins. The bride's bouquet consisted of red sweetheart roses interspersed with tiny pearl beaded hearts resting on a mother-of-pearl prayerbook, gift of the groom. The bouquet was held in place by white ribbon done in tiny bows.

Miss Donna Hubka, sister of the groom, was the bride's only attendant. She chose a street-length frock of turquoise nylon, sheer

For her daughter's wedding, Mrs. Duchan chose a brown lace sheath dress with green accessories and a yellow carnation corsage. Mrs. Hubka chose a deep purple wool sheath dress with black accessories and a white corsage.

During the reception, held for 50 people, Bernard Noel acted as master of ceremonies. He also proposed the toast to the bride to which the groom responded. The head table was centered with a three-tiered wedding cake flanked by spray mums. Attending the guest book was Linda Hubka and presiding over the gifts was Myrna Hubka, both sisters of the groom.

For travelling the bride donned a fitted magenta wool suit complemented by black accessories and a pink and white carnation cor-

sage. In the evening the newlyweds up residence at 1902 16th Ave. entertained their relatives and friends at a wedding dance in the Carmangay Community Hall. Mr. and Mrs. Hubka have taken S.E. Medicine Hat, where the groom has accepted a position with CHAT-TV and radio.
